

# Drug Testing Protocol & Procedure

## General Information

- A negative urine drug test must be completed BEFORE the student begins his/her rotations(s) with Samaritan Health Services
- The cost of the test is the responsibility of the student and additional charges will apply if the test is not negative.

## Instructions

- Do not drink more than 16 ounces of liquid, 4 hours prior to your test.
- Be prepared to produce a urine sample when you arrive at Samaritan Occupational Medicine.
- Bring a picture ID (driver's license) with you.
