

# Stronger Together

- The **Samaritan Employee Emergency Program** helps local caregivers experiencing an emergency financial crisis. In 2022, 133 Samaritan employees received assistance to cope with extreme emergencies.
- The **Samaritan Foundations Patient Support Program** promotes equal access to health care. In 2022, \$160,000 in donations helped patients throughout the tri-county region. Currently, more than 1,050 community members are being assisted with expenses such as medical bills, transportation, prescriptions, nutritional supplements, and groceries through the program.
- **More than \$4.1 million was allocated** from the five Samaritan Foundations to support Samaritan hospitals and clinics with new equipment, facility upgrades, and programs.
