

Capitol Dental Lincoln County Outreach Program

Linda Mann, Director, Community Outreach
Capitol Dental Care

Dental Sealant Program

- Schools served this year:
 - Crestview Heights
 - Eddyville
 - Oceanlake
 - Toledo
 - Yaquina View

Plan to approach Newport Preparatory Academy for next school year.

Dental Sealant Program continued:

- Target 1st and 2nd graders as well as 6th and 7th graders
- Placed 689 Sealants this school year
- Would love to have Lincoln County oral health coalitions assistance with increasing consent form return rate. Some schools we had an 87⁰% return rate, others only 45⁰%.

Head Start Outreach program:

- Currently serve all sites operated by Community Services Consortium (CSC)- Newport, Lincoln City
- Provide dental assessments and fluoride varnish three times during the program year.

Future Opportunities:

- Co located EPDH in a medical clinic
- Co located EPDH in School Based Health Centers
- Expand screening/fluoride varnish to other high need pre-school populations
- Incorporate tele-dentistry technology into community programs

Dear Past,
thank you for
all the lessons.
Dear Future,
I'm now ready.
