Visit samhealth.org/GSHF and select "Samaritan Veterans Outreach" from the drop-down menu of the online giving form.

Veterans Choice Program

In an effort to increase veterans’ access to health care, the Department of Veterans Affairs implemented the Veterans Choice Program. This program allows eligible veterans to see approved health care providers outside the VA network.

To see if you’re eligible, please call the Veterans Choice Program at 1-866-606-8198. For more information, visit va.gov/opa/ChoiceAct.

For help checking eligibility or for any questions, please call our office at 541-768-7800.

Samaritan Veterans Outreach

Providing military veterans with resources, support and advocacy for optimal health and well-being.
Welcome to Samaritan Veterans Outreach

Our mission is to provide military veterans and their families with resources, support and advocacy for optimal mental and physical health and social well-being. We are here to help you.

Samaritan Veterans Outreach offers the following programs and services:

- Courses to ease the transition between military and civilian life
- Peer support groups
- Military skills to career translator
- Health care information
- Help scheduling clinic and specialty visits within Samaritan
- Help understanding state and federal benefits
- Assistance with billing issues
- Information about community resources
- Community service projects

Community events and resources

Samaritan Veterans Outreach helps veterans connect with resources, events, services and benefits. For information about resources and services available in our community, contact our office at 541-768-7800.

Veterans giving back

Twice a month, veterans, their family members and supporters are invited to join in a community service project. The projects vary depending on the needs in the communities we serve.

Vet-to-Vet volunteer program

Samaritan Evergreen Hospice pairs veteran volunteers with veteran hospice patients. To learn more about this program, or to volunteer, call 541-812-4662.

Workshops and courses

Mental Health First Aid training

This course focuses on the unique experiences and mental health needs of military veterans and their families.

Culture competency course

This course gives an overview of the culture and subcultures found within the military. Course topics include the missions and core values of each branch of service, the similarities and differences found between active duty and reserve service members, and the transition process and issues faced by veterans when leaving active duty.

Transition courses

The transition from military service to civilian life can be a little bumpy. These courses include resume building, resources for financial management and more.

Peer support groups

We offer a welcoming and safe place where you can talk openly among fellow veterans. Our peer support groups are facilitated by veterans and provide a forum for discussion and camaraderie. Topics covered include identifying stress triggers, effective coping strategies and more.

Health care information

If you are interested in the Veterans Choice Program, don’t have insurance or want to know about health care options offered by Samaritan Health Services, please contact our office at 541-768-7800.
